KÄRCHER

BV 5/1

The new backpack vacuum cleaner BV 5/1 can be carried comfortably on the back like a rucksack above all because of its low weight of just 5.3 kg. The BV 5/1 is particularly used where it is too thight for conventional vacuum cleaners: Between seat rows of cinemas and theatres, in buses, trains and airplane cabs, in stairways of hotels and offices as well as in strongly transferred areas.

KARCHER

Patented carrying frame with Air Stream Comfort system padding

• The ventilation pads reduce heat generation on the back, whilst the mesh with ventilation on 3 sides reduces perspiration by 25%.

Portability

 The BV 5/1 backpack vacuum allows unrestricted use in areas where conventional vacuum cleaners cannot be used.
